Customs clearance of shipments to Estonia, Poland, Latvia, Lithuania, Germany, Slovakia, Hungary, United Kingdom and the Czech Republic takes place at Lviv Customs, and to Moldova and Romania – at Kyiv Customs.

*** The Tariff applies to legal relations governed by the Contractual Relationship between NP Global LLC and non-resident legal entities.**

1. The tariff is indicated in US dollars (including VAT) per one place for shipments transported from the territory of Ukraine. Valid from December 12, 2023. The maximum number of items in a shipment is 5.
2. The sender or recipient can track the location of the shipment on the novaposhta.ua website using the express waybill number.
3. The tariff includes pickup at Nova Post offices in Ukraine and delivery to Nova Post offices in the country of delivery. Delivery to the Nova Post branch in Poland is only available to legal entities.
4. The tariff does not include the cost of customs brokerage services. For more details, visit novaposhta.ua.
5. The greater of the actual or volumetric weight is applied to calculate the shipping cost. For multi-item shipments, the weight is determined separately for each item. The weight of an item is rounded up: for items up to 30 kg – to the nearest value in the table; for items over 30 kg -1 kg. Formula for calculating the volumetric weight: length × width × height (cm) / 5000 or cargo volume m³ × 200.
6. Payment for customs brokerage services, duties, taxes, and other fees is made in the country of delivery. The amount of customs duties, taxes, and fees is determined by the legislation of each country, depending on the contents and declared value of the shipment, as well as the category of the client: individual or legal entity.
7. The terms of shipment delivery are indicated in business days from the capital to the capital and do not include the day of collection of the shipment. The delivery terms are approximate and cannot be considered as clearly defined and guaranteed, may differ from those indicated in the IEW or on the website and do not include: the day of handover of the IES for transportation; weekends; official holidays; days on which banking institutions are closed; duration (periods) of delays associated with security checks of shipments; terms of customs clearance of shipments; delays caused by circumstances beyond the carrier's control.
8. Restrictions for shipments: weight up to 1,000 kg, dimensions up to: 300x170x170 cm

Except for Moldova: weight up to 3,000 kg, dimensions up to: 240x120x170 cm

Slovakia: weight up to 30 kg, dimensions up to: 270x170x170 cm

9. Nova Post reserves the right to change tariffs and other terms of service. The latest information is available at novaposhta.ua.
10. Delivery service to Transnistria is not available.
11. The tariff is valid throughout the territory of Ukraine for shipments transported from the territory of Ukraine, except for: the area of the Joint Forces Operation, military operations (whether or not war is declared), areas where terrorist acts have occurred and/or anti-terrorist operations are underway, temporarily occupied territories and settlements where the state authorities of Ukraine do not exercise or do not fully exercise their powers, according to the list established by the Cabinet of Ministers of Ukraine; the Autonomous Republic of Crimea.

+38 050 4 500 609

+38 093 4 500 609

+38 044 4 500 609

11. NP Global LLC reserves the right to change the tariffs and other terms of service. The latest information is available at <https://novaposhtaglobal.ua/>.
12. The weight of the shipment can be checked by a representative of NP Global and updated in case of discrepancy with the declared weight. In turn, the cost of the shipment can also be increased in accordance with the actual dimensions and weight of the shipment. At the request of the Customer, NP Global can provide information on the change in value due to the control weighing. The control weight is indicated in the IEW by the NPG employee. The Website displays a larger unit of weight.
13. The service of returning the shipment in the opposite direction – to the territory of Ukraine only by individual arrangement.
14. Starting from July 1, 2021, the tax-free threshold (the value of goods transported in international express shipments that are not subject to VAT) for goods imported in international express shipments to the EU in the amount of EUR 22 has been reduced to zero.
15. Delivery to/from the territories of Northern Cyprus is not available.

*** The Tariff applies to legal relations governed by the Contractual Relationship between NP Global LLC and non-resident legal entities.**

1. The tariff is indicated in USD including VAT per item. The tariff applies to imports to Ukraine.
2. Cargo type shipments with a maximum weight of up to 70 kg (5 items per shipment can be arranged) and documents with a maximum weight of up to 2 kg are accepted for transportation.
3. Dimensions for cargo: Length – up to 119 cm, width – up to 69 cm, height – up to 59 cm. If these dimensions are exceeded or the weight of the shipment is more than 30 kg, an additional cost of EUR 55 is paid. Please note: if the dimensions or weight of your shipment exceeds the standard limits, please contact us to clarify the possibility of delivery and the tariff by e-mail at info@novaposhtaglobal.ua.
4. For World 1 and World 2 tariff zones, the maximum weight of a parcel cannot exceed 30 kg. Up to 5 items per shipment are allowed.
5. To calculate the cost of delivery, the higher value of the actual or volumetric weight is applied, rounded up: for shipments up to 30 kg – to the nearest value in the table; for shipments over 30 kg – 1 kg. The formula for calculating the volumetric weight is $\text{length} \times \text{width} \times \text{height (cm)} / 5000$.
6. The delivery terms of shipments are indicated in business days from capital to capital and do not include the day of collection of the shipment, are approximate and cannot be considered as clearly defined and guaranteed, may differ from those indicated in the IEW or on the website and do not include: the day of handover of the IES for transportation; weekends; official holidays; days on which banking institutions are closed; duration (periods) of delays associated with security checks of shipments; terms of customs clearance of shipments; delays caused by circumstances beyond the control of the Contractor.
7. All shipments must be securely packed in cardboard or other boxes that allow your shipment to be processed on automated lines. Cargoes without proper packaging may not be accepted for transportation.
8. Delivery from certain territories may or may not be available at an additional cost. By prior agreement with the Client
9. The tariff includes the cost of transportation, targeted pickup and delivery of the shipment, as well as the reception and delivery of the shipment at Nova Post offices, excluding the cost of customs duties, customs clearance and other payments.
10. Payment for customs brokerage services, duties, taxes and other administrative fees is made in the country of customs clearance. The amount of customs duties, taxes, and administrative fees is determined by the laws of each country, depending on the contents and declared value of the shipment.

11. There is an additional fee for processing an export declaration for imported goods. The cost of issuing an EX1 is EUR 40.
12. By default, all shipments are considered stacked. If the cargo requires careful and special transportation, an additional cost of EUR 155 (excluding VAT) is charged.
13. NP Global LLC reserves the right to change tariffs and other terms of service. The latest information is available at <https://novaposhtaglobal.ua/>.
14. The weight of the shipment can be checked by a representative of NP Global and updated in case of discrepancy with the declared weight. In turn, the cost of the shipment can also be increased in accordance with the actual dimensions and weight of the shipment.
