## **CUSTOMS CLEARANCE**

### **Import to Ukraine for private persons**

#### **Less than or equal to 150 euros:**

Customs duties are not charged for shipments  $\leq$  EUR 150 (excluding delivery cost). Customs clearance is not **required for such shipments**.

#### **More than 150 euros:**

If the cost exceeds EUR 150, you will pay an additional 10% duty and 20% VAT on the excess cost over EUR 150 during customs clearance of the shipment. There is also an additional charge for customs brokerage services.

#### **For example:**

##### **Shipping cost is EUR 200**

The basis for customs duties = EUR 200 - EUR 150 = EUR 50

Import duty = EUR 50 x 10% = EUR 5

VAT = (EUR 50 + EUR 5) x 20% = EUR 11

Customs duties amount to EUR 5 + EUR 11 = EUR 16

### **Import to Ukraine for legal entities**

#### **Payments = customs duties + 0,2(shipping cost\* + customs duties)**

(\*) The shipping cost for legal entities may or may not include the cost of delivery depending on the terms of delivery specified in the commercial invoice of the legal entity under Incoterms (the transportation cost is paid additionally under the EXW, FOB, and FCA terms of delivery)
